Traffic Shows Big Increase During Month Of January

Truckee In Third Place As Port Of Entry Into California

Although January travel into California by way of the Truckee quarantine stations showed a drop of more than 3,000 autos from the December count, the 55,986 cars passing here last month marked an increase of nearly 20,000 over January, 1960.

The monthly report from the department of agriculture, shows that there were also 4,321 commercial vehicles and 959 buses checked at the local station and the passenger count was 160,301.

The Meyers station of Highway 50 showed 8,557 cars, 229 trucks and 36 buses checked there with 23,050 passengers.

SACRAMENTO — (CNS) — Passengers in vehicles checking through California border quarantine stations increased 63,777 during January over the total for January 1960.

Passengers in vehicles registered in California showed the largest increase wtih a jump of 42,459 to 455,096. Passengers in out-of-state automobiles increased 18,918 for a 359,345 total.

A total of 909,168 passengers in buses, trucks and automobiles passed through 17 quarantine stations.

Bus passengers increased 2,400 to 94,727 during the month while truck passengers increased 242 to 32,860.

The Winterhaven station was the busiest with 176,501 passengers checking through in 67,572 automobiles, 8,341 trucks and 436 buses. The second busiest quarantine station was Yermo with 169,320 passengers and Truckee was third with 160,301 passengers.

New Manager For Local Utility Dist.

Francis Longo of Eastern Idaho is expected to arrive Thursday to assume the management of the Truckee Public Utility District. The district has been without an active manager since Wilbur Bell left several weeks ago.

Longo is experienced in the job he is undertaking, having managed a private utility in Idaho for some time before it was taken over by the REA.

The newcomer is married and has two grown children.

At the same time it was announced that James Samson of Tahoe City has been employed as bookkeer for the district, replacing Mrs. Pat Tonini who has been a temporary employe. Samson plans to move his family to Truckee in the near future.

RED CROSS BOARD WILL MEET AT LAKE

TAHOE CITY—On February 21 a special meeting of the newly organized board of directors of the American Red Cross, Lake Tahoe branch will be held at 7:30 in the Community Hall at Tahoe City.

This will be an open meeting for those in the South Lake Tahoe, North Lake Tahoe and Truckee areas who are interested in a swimming program and the safety operation of small boats operated on Lake Tahoe and Donner Lake.

People holding current water safety instruction cards, small boat water safety certificates, first aid instructors or those wishing to renew their present certificates are urged to contact J. C. Fulton, fire chief of Kings Beach, Mrs. Marie Henry at Tahoe City, Mrs. Claude Harrison or Mrs. William Fordham both of Truckee.

MARDI GRAS WILL BE GIVEN BY SQUAWS

The Mardi gras, a gala spring event is being planned for April 22 by the Tahoe Squaws, to be held in the Athletes Center at Olympic Village.

Mesdames Norman Wilson and James Brehler are chairmen for the affair which will include dancing, games, awards and refreshments.

For the evening's entertainment there will be a nominal charge of $1.50 for each person.

DR. WYATT TRIAL IS OPENED IN NEVADA

The trial of Dr. Thomas D. Wyatt, who was arrested in his Lake Tahoe home and office last summer, got under way with the selection of a jury in Reno Monday.

Dr. Wyatt was arrested last August by members of the Washoe County Intelligence Unit on a charge of attempted abortion.

The case is being heard before District Judge Clel Georgetta.

ON HONOR ROLL

Milton Cooper of Squaw Valley was among the top 16 students on the president's honor roll at Sierra College during the last semester. There were 61 students who attained grades of "B" or better to make the honor roll.

Van Sickles Win 12 Trophies In South State Dog Races

Truckee's champion dog drivers —Lloyd Van Sickle and his 17-year-old daughter, Sandra — returned Monday from Los Angeles where they took most top honors in the the Big Bear dog races. They received a total of 12 trophies, now on display at the office of the Sierra Sun.

Van Sickle captured first place in the freight race to receive a perpetual and individual trophy; he took a trophy for the best time, the men's sprint and the most points in the show. Added to this were two trophies for high points, he took second in the lead dog contest, second in the weight pulling and first in the weight race.

Daughter, Sandra, took first in the junior race but came in third in the women's sprint and fourth in the furlong for fillies.

They will race their targee hounds next at Heber City, Utah races on February 18 and 19 and will then enter the American Dog Derby competition at Ashton, Idaho on February 25.

The Ebbetts Pass races from Murphys in Calaveras County will be entered by Van Sickle on March 4 and 5 and he will then go to Cedar City, Utah for the derby on March 25 and 26.

The team is being sponsored this year by the Martis Valley Land Company of which Cal McKinley is president.

Both father and daughter are championship drivers and the latter has never lost a race, always coming in for first place in every event she has entered.

Donner Recognized By US Park Service

The department of interior has notified Congressman Harold T. (Bizz) Johnson of the 2nd, mountain-valley counties, district that the National Survey of Historic Sites and Buildings and the National Park Service have approved two northern Cailfornia landmarks for federal recognition.

These are Donner Camp and Sutter's Fort.

In recognizing the historic importance of these sites, the federal government encourages their preservation, Congressman Johnson said, but does not seek ownership of the properties.

Donner Camp, where the California-bound party led by Captain George Donner was caught by a severe winter storm in October, 1846, is located on Highway 40 and is administered by the State of California as the Donner Memorial State Park.

LODGE OFFICIAL IS HONORED AT MEET

Truckee Chapter No. 116, Order of the Eastern Star, honored Deputy Grand Matron Orpha Pond at the meeting February 7 on her official visit.

A large crowd attended, including many visitors. The hall and banquet room were decorated in the colors of the year with cherubs as the motif.

The next meeting of the Truckee Chapter on February 21 at 8 p. m. will be "Brothers Night" with Sam Faulkner as chairman. Virginia and Paul Doyle, worthy matron and patron, will preside.

TWO BABIES ARRIVE AT HOSPITAL HERE

Mr. and Mrs. Jimmy Smith of Donner Lake greeted their son, Kenneth Dean, born February 9 in Tahoe Forest Hospital. The lad's weight on arrival was 7 pounds, 15 ounces.

Mary Ann was greeted February 13 in Tahoe Forest Hospital by her parents, Mr. and Mrs. Conrad Wainscoat of Kings Beach and her 14 brothers and sisters. Her first weight was a plump 8 pounds and 12½ ounces.

ICE HOCKEY WILL BE PLAYED AT ARENA

Dutch Van Rooy and Bill Wallace of the Sacramento Ice Hockey Association announced the Far West Open Senior Hockey Tournament will be held April 7, 8 and 9 in Squaw Valley famed Blyth Arena.

Van Rooy and Wallace are the tournament directors.

Playing in the event will be all star teams from Sacramento, Stockton, the bay area, Los Angeles, Denver and Salt Lake City.

Precipitation Far Under Normal As Storms Hit Area

Moisture Here Was Only 57 Per Cent Normal This Week

Precipitation in the Truckee area, despite a 14-inch snow fall during the weekend, is still only 57 per cent of normal for the end of February, according to official records kept by the U. S. Forest Service.

The precipitation for the storm measured 1.65 inches bringing the total for February to 2.95 inches. Normal for the month is 5.29 inches.

The 1.65 inches which fell Friday and Saturday brought the season's total precipitation to 11.09 as compared with a normal of 19.43, Henry Toccalini of the forest service reported.

Chill weather followed the storm and the temperature dropped to a cold 14 degrees Monday after a high of 51 for the week last Friday.

The storm, which brought powder snow to the winter sports areas, caused rejoicing among the resort owners and ski enthusiasts and all resorts were reoported filled to capacity Saturday and Sunday.

More Funds Given For Fire Prevention

Congressman Harold T. Johnson writes from Washington that California's national forests will receive nearly $40,500,000.

There is a significant increase in fire prevention funds, Johnson wrote. Dr. R. E. McArdle, chief of the forest service advised the congressman at one of their conferences that about one half of the $2,000,000 national increase for fire prevention will be spent in California.

"I also have indications," Johnson wrote, "that the forest service may re-evaluate its entire fire prevention program as a result of two disastrous fires in California." He referred to the Forest Hill and Donner Ridge fires last August.

More emphasis may be given to prevention rather than suppression, which costs more than $16,-500,000 a year in California alone.

BILL BECHDOLT WILL HEAD LITTLE LEAGUE

William Bechdolt of Tahoe City was elected president of the Tahoe Truckee Little League at the meeting held at Crystal Bay on February 9.

Other officers selected were Dr. Marvin Schwartz of Kings Beach; Ernestine Solaga, Truckee, secretary and H. H. Thompson of Truckee, treasurer.

Through the courtesy of William Curran, 7-Up distributor, booklets on how to play baseball were passed out for each member of the little league.

Readers were asked to watch the columns of the Sierra Sun for announcements of future meetings and plans for the 1961 season.

A meeting of adults of the Donner and Truckee clubs will be held at the high school at 7:30 p. m. tonight and all interested in the league are urged to be present.

THIEVES STEAL ONLY BACON IN ROBBERY

Apparently the thieves who entered the California Cafe and bar sometime Monday night were only hungry or were disappointed that no money was available.

Seven pieces of bacon and nothing else were missing, according to a hasty inventory by the cafe manager, James Ritchie and bar manager Ralph Bretthauer.

The thieves entered the cafe by taking a pane of glass out of a window and unlocking the door, Deputy Sheriff Roy Waters reported.

FOOD HANDLERS TO TAKE EXAMINATION

All food handlers will be expected to take a skin test for Tuberculosis to determine that they are free of same, Area Sanitarian Richard Walker declared today.

Test will be given by the Nevada County Health Department on Friday, February 24, at the old Elementary School from 12 noon until 3 p. m.

There will be no charge for this service, Walker said.

Officials Here Will Oppose Measure To Up School Tax

Local school officials have voiced vigorous oppositon to Assembly Bill 1,000 by Winton which has been referred to the committee on education in the state legislature.

The bill sponsored by the California Department of Education, according to Superintendent John S. Corbin of the Tahoe Truckee Unified School District, will cost this district a large amount of money and will, if passed by the legislature, raise local school taxes to from 42 cents to 50 cents on each $100 of assessed valuation.

The measure, known as the county-wide plan, would take $1.10 of the tax money off the top and place it in a general fund to be administered to schools of less wealth than the local district, Corbin declared.

Since the local district is in two counties, this would mean, according to Corbin, that taxes raised in Nevada County would go toward less fortunate schools in this county and taxes from Placer County would assist impoverished schools in that county. The fund would be administered by the school superintendents in the counties involved, Corbin said.

State Senator Ronald Cameron and Assemblyman Paul Lunardi have been asked to oppose the bill since it would be costly to local taxpayers if the local schools are to be maintained at their present level.

Reward Increases For Local Firebug

A close watch is still being maintained by officers seeking the apprehension of a fire-bug suspect responsible for at least five incipient fires in this community during the past two months.

Rewards for the arrest and conviction of a suspect have mounted to $160 with the offer of the Truckee Lions Club of $25 and Ed Shirley, resident engineer for the telephone company of $10.

Previously volunteers was $50 from the fire department, $50 from the chamber of commerce and $25 from officials of the Southern Pacific.

The department was called out Saturday night, but found that an incinerator near the old elementary school was sending flames into the air giving occasion for the alarm being turned in.

Suspects are being questioned and Fire Commissioner N. F. Dolley said this probe will continue and that arrests may be forthcoming.

VETERAN PATROLMAN EXPIRES IN HOSPITAL

Funeral services will be conducted this afternoon at 1:30 o'clock for Earl Crane, 58, veteran retired highway patrol officer who expired at a North Sacramento hospital Monday morning following a long illness.

Crane for many years was the only patrolman on the beat between Colfax and Donner Summit. He retired four years ago and more recently had been employed by Aerojet Corporation near Sacramento. He moved from Alta to Sacramento when he retired.

Clay Lodge No. 101, F&AM was in charge of the services. Crane was a native of Yuma, Arizona and is survived by his wife and two sons.

DR. WISER NAMED AS HEALTH ASSISTANT

Dr. Ray H. Wiser of Truckee, who resigned his post as county health officer to be succeeded by Dr. Elbridge J. Best of Cedar Ridge, was appointed assistant health officer to represent the eastern portion of the county.

Dr. Wiser held this position prior to being appointed as temporary health officer several months ago. He resigned the higher post because of the stress of personal practice.

Natural Death

An autopsy revealed that Daniel Tracy, 46, sought in connection with a knife attack on Max Langworth, 46, a fellow culinary worker at Squaw Valley, and whose body was found near Squaw Creek shortly after the attack, died of a heart attack. Langworth was treated for face cuts at the Tahoe Forest Hospital after he described the attack by Tracy as unprovoked.

12 Are Injured In Local Accidents During Past Week

Snow-Covered Roads Get Blame For Series Of Accidents

Five vehicle accidents in which a dozen people were injured and at least a dozen other property damage mishaps were reported by the California Highway Patrol for the weekend.

One of the accidents involved a school bus which was struck head-on by a car driven by Gunnar A. Hafstad, 38, of San Jose two and a half miles north of Tahoe City on Highway 89, at 6 p. m. Saturday.

The bus, driven by Darrell Harrington, Kings Beach was bringing 24 students of the Tahoe Truckee High School to the basketball game here. Harrington told investigating officers that he pulled as far to the right as was safe for the passengers, but could not avoid the Hafstad car which was out of control and on the wrong side of the highway.

After the car struck the bus, a second car, driven by John T. Wells of Burlingame also got out of control on the snow-covered highway and crashed into the Hafstad vehicle. None of the students was injured.

Taken to the Tahoe Forest Hospital were Hafstad, his wife, Liv Gusta Marie, 40, Gunnar Eilis Hafstad, 8 and Grete Hafstad, 4. Hafstad was cited, as was Wells.

BUS CRASH

A Greyhound bus, driven by Gordon A. Benson of Broderick struck the rear of a car driven by Mary Margaret Malevic, 56, Auburn school nurse, near the S. P. overpass on Route 89 Sunday at noon, sending Mrs. Malevic and her passenger, Beulah T. Gawtfald, to the Tahoe Forest Hospital. The bus driver said he was momentarily blinded by the slush thrown on

MARAUDERS, PHONE COMPANY WIN FIRST GAMES IN PLAY-OFF

In the first of a series of play-off games in the Truckee Town League tournament, Marier's Marauders last night defeated Harry's Meat by a 50 to 43 score, while the Telephone Company outscored the U-Savers 43 to 39 in an overtime contest at the high school.

Monday the league leading Lions of Kings Beach will face the Phone Company five in the semi finals and Harry's and U-Save will meet for the consolation playoff.

The finals in the league play will be played the following Monday.

The games start at 7 p.m. with the second game at 8:15.

OLYMPIC FLAME WILL BE REKINDLED SAT.

SQUAW VALLEY — The Olympic flame will be rekindled in Squaw Valley Saturday at a reunion of members of the organizing committee and participants in the VIII Olympic Games just one year after they opened.

Those attending will register at noon Saturday and after a brief ceremony at the Olympic flame they will ride KT-22 chair lift to the Cornice restaurant for a luncheon.

Other events will include a 6 PM victory ceremony at the Nevada Center, a 10 PM dinner and closing ceremonies in Tahoe City and a "deactivation" breakfast Sunday morning.

Elenita Dardi is in charge of the arrangements.

DAMAGES AWARDED FOR LIFT ACCIDENT

RENO— The mother of a British Olympic skier this week was awarded $11,079.90 for injuries she suffered in a ski lift accident at Squaw Valley almost two years ago.

The judgment was awarded Mrs. Dorothy McCaskie, 46-year old widow who lives at Tahoe City. Her daughter, Sonja McCaskie, is a member of the British Olympic ski team.

Mrs. McCaskie had sought $35,-000 in damages in the personal injury suit against the Squaw Valley Development Company. She was injured in a pomalift accident at Squaw Valley on March 11, 1959.

License Issued—

A Reno marriage license was issued to Parley E. Fox, Jr., 19, and Susan N. Stewart, 17, both of Truckee.

27 Are Selected In Local Area To Be On 1961 Jury List

TRUCKEE

Mary Edith Ambler, Fred E. Calkins, Margaret Cavanaugh, Humert Ciardella, Edwin S. Crandall, John Henry Elliott, Wilbur Lee Glenn, John Moretta, Daven Morey, Clarence E. Osurn, Robert B. Plunkell, Arline Smart, Adelaide R. Taylor and Roxie Archie.

Wolverines Meet Lovelock Saturday

With only 15 seconds of playing time remaining, the South Tahoe Vikings Friday night scored a field goal to defeat the Tahoe Truckee Wolverines at Al Tahoe 59 to 57.

Another close game was featured on the Truckee court Saturday when the Yerington Lions came on strong in the second half to overcome a one-point deficit and go on to down the Wolverines 57 to 53 in a Northern Abasketball contest.

In the Yerington game, the Wolverines were ahead 12 points at one time in the second period, but the steady work of the Lions had worn this lead away in the third period and the visitors maintained the lead from then to the finish.

Notley scored 18 points for the locals, followed closely by Baxter with 17 and Ferrari with 10.

In the South Tahoe game, Notley piled up 19 points as high man with Ferrari a close second with 18 points and Baxter with 9.

The JV team from Truckee also lost both games, the one to South Tahoe 47 to 37 and the Yerington bout 51 to 30.

The Wolverines will host the Lovelock five on the local court Saturday night in another A conference tilt.

BIDS ARE ASKED FOR TAHOE MAIL HAUL

The post office department is calling for bids for the transportation of mails between Truckee and Tahoe City.

Postmaster Oliver Corona of Tahoe City said the sealed proposals will be received by the Distribution and Traffic Manager, Post Office Department, San Francisco 6, until 4:15 p. m. on March 16, for carrying the mails for a term from April 1, or such subsequent date as may be ordered, to June 30, 1962.

The trip will be made daily from the Truckee railroad station to Tahoe City and return, a distance of 15.7 miles and back. Box delivery and collection service is not required.

A schedule of the hours may be obtained from Posmaster Corona or Postmaster Richard Higgins at Truckee. A bond of $3,100 will be required.

LAKE LIONS SPONSOR BENEFIT FOR LEAGUE

KINGS BEACH—The Lake Tahoe Lions Club is sponsoring a public benefit card party to be held at Ziegler's Cafe at Kings Beach on the evening of Monday, March 13.

The affair is a benefit for the Babe Ruth baseball league and all funds collected will be turned over to the league for operations during the coming season.

Myron (Red) Waddell is chairman of the committee in charge of arrangements. The public is invited and everyone is urged to attend and enjoy the games.

SERVICE OFFICER

The Nevada County Veterans' service officer will be in Truckee on Friday, February 17 between the hours of 10 a.m. and 3 p. m. and anyone desiring to avail themselves of his services may do so at the office of Judge F. W. Wilson.

Bay Firm Bids Low On Second Part Of Summit Road

South San Francisco Firm Bids $2,377,704 For Road Work

The state division of highways yesterday received a low bid of $2,377,704.55 from Guy F. Atkinson of South San Francisco for the second of three construction contracts to relocate ten and a half miles of US 40 as a freeway over the Sierra summit west of here.

There were 11 bidders.

Work will get underway by May 1 and will include grading and the construction of interchange structures in the Soda Springs and Castle Peak areas. At the summit the job will connect with the seven-mile grading project on the east side of the peak which has been under construction since last summer. The contractor may elect to commence clearing and grubbing operations sooner than the required May1 starting date.

After completion of the two initial grading contracts, probably by the fall or winter of 1962, a third contract will be let for the base and surfacing of the entire realignment from Soda Springs to the east end of Donner Lake.

The four-lane divided freeway will bypass to the north the existing Donner Summit highway.

Emerald Decision Is Expected Soon

The state division of highways will hold a public meeting on the controversial Emerald Bay highway routing in 30 to 60 days.

This was announced recently after a joint meeting of the state park and highway commissions on the state route 89 routing on the west side of Lake Tahoe in which they promised speedy action in the controversy over a high or low level highway at Emerald Bay.

Alan S. Hart, district highway engineer, will conduct the public meeting, then make his recommendation to state highway engineed J. C. Womack who will in turn recommend a route to the highway commission. The commission will probably make its final decision on a route adoption in about a year.

Will Rogers, Jr., of Malibu, park commission chairman, complained the low routing planned would cut D. L. Bliss and Emerald Bay state parks in half. Both routes, the high level generally along the present highway and the low along the shore of Lake Tahoe, would cause scarring of the landscape, he added.

The highways division has stated both routes can be kept open all year.

NINE BUS VICTIMS IN TRUCKEE HOSPITAL

Nine of the 23 passengers hospitalized last Thursday as a result of a Greyhound bus accident just west of Soda Springs were still in the Tahoe Forest Hospital this week recovering.

The accident, according to the California Highway Patrol, occurred when the driver lost control in avoiding a collision with a truck and crashed into a snow bank.

Still in the hospital are the bus driver, William C. Oliver, 37, Sparks, Nev.; Diana Littler, 45, San Miguel; Doris Peila, 44, Pacifica; Barbara E. Fry, 48, San Francisco; George Otto Hegard, 72, Oakland; William Pledger, 37, Berkeley; Constance Weber, 28, Oakland; Frank Coyle, 60, Reno, and Luther Scott, 71, San Francisco.

INITIATION WILL BE HELD BY REBEKAHS

Naomi Rebekah Lodge No. 2 will meet in Odd Fellows Hall Wednesday, February 22 at 8 p. m. with Goodi Mori, noble grand presiding.

Plans will be completed for a large class of candidates to be initiated on March 8.

Eleanor Fulcher and Sadie Fields will be the refreshments committee at the next meeting.

FOOD SALE PLANNED BY NURSERY SCHOOL

The Truckee Nursery School members will be at the Truckee Mercantile tomorrow conducting their pastry sale, offering home made cakes, pies, cookies and candy.

The public will have a variety of desserts from which to choose and at the same time swell the fund of the active group.

COIN BOXES LOOTED AT TRUCKEE, LAKE

Placer County officers are investigating the thefts of telephone boxes from six pay stations in Kings Beach, Tahoe City, Homewood and Tahoe Vista. Four of the boxes were recovered but the money was missing.

Officers are investigating similar thefts at Truckee and Gold Run.

NORTH TAHOE BRIEFS...

... by BETHEL

Bob and May Critchley and daughters, Sherry, Karen and Kathy, of Tahoe Vista, motored to Sacramento Friday to meet Miss Carloine Brockett of New Haven, Connecticut. Miss Brockett accompanied Mrs. May Brown, former Tahoe Vista resident, to Denver by air; thence by train to Sacramento. Mrs. Brown, their aunt, entrained to Medford, Oregon, to her new home, Apt. 214, Rogue Valley Manor.

Mrs. Brown has resided in the east for over a year awaiting the completion of her new residence. Friends are happy to know Mrs. Brown is in good health and happy to be permanently located.

Miss Brockett is Mrs. Critchley's sister and expects to spend a ten day vacation visiting Lake Tahoe.

Julie, three month old daughter of David and Pat Crow of Crystal Bay, is home after a brief hospitalization. All's well and everyone happy, especially brother Christopher.

Announcement has been received from Mrs. Winfield Wayne Morrell (Connie) in San rancisco of the coming marriage of her daughter, Linda to Allan A. Pauli on February 18, in San Francisco. Linda is a graduate of Tahoe- Truckee High School and received a scholarship from the Soroptomist Club.

Our Lady of the Lake Guild met at the home of president, Pat Crow at Crystal Bay. Plans for a potluck dinner were discussed also the serving of coffee and donuts after mass and Easter plans. Among those present were Eileen Wilan, Frances Maas, Ginne MacDonald, Genevieve Brockelsby, Alice McDonald, Paula Gurney, Nora Ferrari, Janet Ellison, Millicent Quartley, Louise Antillion, Ruth Stelzreide, Helen Chanda and Father O'Neill.

"Mellodettes" provided musical entertainment at the Elks Club fun party Saturday evening.

Dr. Ivan A. Hull, chiropractor, has announced the opening of offices in Kings Beach. Dr. and wife, Cleda and son, Tommy moved to Kings Beach from Modesto a year ago. Dr. Hull built his home and office at the same address. Tommy is 9 years old and a student in the fourth grade at Kings Beach Elementary School.

Home again from vacations are Ruth and Dick Lavery of Tahoe Vista. Trip included Mexico. Theresa and Tom Sutton of Kings Beach, who also visited Mexico with sister and husband, Mr. and Mrs. John Rayburn of Incline Beach. The Rayburns remained in Arizona to visit brother, Stephen and wife, returning later in the week.

WSCF of the Kings Beach Methodist Church met at the home of Adeline Gunkel of Tahoe Vista. Edna Judy gave a devotional, Jane Tenneson gave a talk on the Lord's Prayer, Edith Hallie Falker "The Run Away City," Bill Harling speaker for the day. Among those present were Mesdames Ann Beaver, Ann Gunkel, Ruth Mizner, Pearl Draney, Thelma Northwood, Edna Judy, Sophie Levra, Signa Williamson, Clara Van Hueser, Bella Fisher, Jane Tenneson, Ella Rae Fulton, Helen Chanda, Helen Leon, Theresa Dutton, Frances Gerlitz, Edith Hallie.

Celebrating his birthday Sunday, February 5, was Ross Price and wife Alice, children Moira and Marc. Congratualtions, Ross.

Celebrating birthdays in the Tom Hoffman home were Jacquelyn, 11, on January 29 and Jeffry 7, on February 5.

Jacquelyn had a skating party at Squaw Valley with friends Ann Felte, Mary Ferrari, Linda Carrara, Georgia Burris, Gail Cernsak, Jan Jensen and Diana Astle. Refreshments of cake and ice cream were served.

Jeffry had ice cream and cake and a bowling party followed with Steve Wright, Steve Cook, Jeff Bracy, Dave Briscoe.

Betty Cratty is the new member of the Soroptomist Club at the January 31 meeting according to Sohpie Levra, with Louise Scoville joining on Februray 7. A report on the safety council meeting was given by Sophie and Marge Fellows introduced Mr. Thomas of the telephone company who talked on "Conelrad." Five dollars was donated to the March of Dimes.

Nominating committee was appointed by Blanche Donaldson composed of Tallie Daneri, Barbara Spitsen and Audra Holmes.

Frank and Isabell Torsak of Tahoe Vista are home after an extended vacation, however, how long, depends. The desert is mighty attractive. "Kiki" and "Kolo" prize pets (cats) are happy to be home—they are poor travelers and the kennels for them when the Torsaks are traveling. The next trip will be in their new station wagon—Chevie—with Totem Poles no less on both doors and rear. (Torsak's own Totem Pole Resort—just so this makes sense).

Guests of Tom and Chris Hoffman of Kings Beach were Ray and Simone Hengel of Sleepy Eye, Minnesota. Ray is the brother of Cris and came to Lake Tahoe on his honeymoon, spending a week with the Hoffmans.

Sacramento visitors last week were Tom and Hazel James of Tahoe Vista.

A citizens committee will be formed under the supervision of Ed Shirley of the telephone company to adopt a method of naming and numbering streets and houses from Tahoma to Brockway, including Squaw Valley, Soda Spring and Truckee. Representatives of various organizations will meet at Tahoe Inn, Tahoe City, February 23, at noon, for further discussion.

Board of directors of the Lake Tahoe-Sierra Chamber of Commerce will meet at Tahoe Inn, Tahoe City, luncheon, on Thursday, February 16, according to President Selby Calkins. The third Thursday each month has been designated for directors meetings,

STRIKES & SPARES

BY JOE WILMAN

SOME SUCCEED IN A CONTRARY FASHION

Although most bowlers today prefer a three-hole ball, such top bowlers as Ed Lubanski, Harry Lippe, Eddie Kowalics and Tony Sparando still prefer the two-hole variety.

Even if most bowlers release the ball out and over the foul line before it touches the lane's surface, as I'm doing in today's illustration, Paul Krumske releases his ball on the approach and gets it rolling quickly.

Though most bowlers will adjust their games to fit the different lane conditions, Hank Marino of Milwaukee always played every lane from an inside angle only. Jimmy Blouin, another all-time great, did just the opposite, firing away from the right corner on all lanes.

Despite the fact that most top bowlers are spot bowlers, Joe Norris has always been a pin bowler for both strikes and spares.

Although most bowlers find it easier to change their angle in adjusting to meet conditions, Adolph Carlson, a Hall of Fame star, always varied his speed. He found it easier.

I STILL think it's best to go along with the majority opinion unless experience shows you're better and more successful in another way.

LAKE SAFETY GROUP HOLDS SECOND MEET

TAHOE CITY—The second meeting of the Northern Chapter of the Lake Tahoe Safety Council was held February 10, at p. m. at the Elks Lodge hall in Tahoe Vista. Representatives of various organizations, including the fire department, forest service, sheriffs department and others were in attendance.

Dr. H. Holmes of Kings Beach presided over the meeting and gave a brief history of the safety council and announced the names of the present officers, Al Mullin as president; Dr. H. Holmes, vice president; Fred Schultz,, secretary and Brad Murphy, treasurer.

James Sayles of Reno, an officer of the Nevada Safety Council, gave a most interesting speech on the different problems to be met by a safety council. "Traffic accidents are the largest single problem to be faced in the United States today, and by 1970 will have the No. 1 spot on the death list," he said.

Dr. Holmes as acting chairman then read the by-laws of the chapter, which were approved. Nominations for the five directors were then heard and the following directors elected, T. Stollery of Town and Country Lodge on Hiway 89; Charles Cross, Tahoe City; Harry Hooper and Joan Malley of Kings Beach and Helen Eillers of Crystal Bay.

JACKIE JENSEN WILL PLAY WITH BOSTON

CRYSTAL BAY—The Boston Red Sox announced last week that outfielder Jackie Jensen of Crystal Bay has ended his one-year self imposed exile and signed a contract for the 1961 season.

Announcement of the contract repoted to be fo between $35,000 and 40,000, was only a formality since Jensen came to Boston from his home several months ago and agreed to terms with the Red Sox.

Jensen, the American League's most valuable player in 1958, quit baseball at the end of the 1959 season to "spend more time with my family."

His retirement at age 33 came as a shock to the Red Sox despite the fact that he had on a number of occasions suggested he might retire. His decision to return for the 1961 season came at a time when the Red Sox were considering the attendance losses expected to result from the retirement last fall of veteran slugging king Ted Williams.

GRAZING FEES FIXED FOR TAHOE FOREST

The 1961 grazing fee rates for national forest range lands have been received by the Tahoe National Forest. Supervisor Henry Branagh reports that the fees for cattle have been set at 60 cents per animal month and for sheep 11½ cents per animal month.

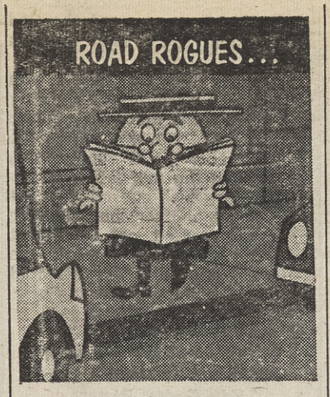
The yearly fee is based on the past year's price paid for livestock on the commercial market.

The Tahoe National Forest ranges provide the summer portion of operation for 2,500 head of cattle and horses and 11,500 sheep. There are 42 cattle rancher in the foothill area and 10 sheep operators on the forest.

The past two dry seasons have lowered the production of livestock feed on national forest ranges, and the indications are that if sufficient moisture is not forthcoming, the feed conditions will be substandard as they were in 1960.

This past summer's disastrous Donner fire consumed some very fine bitterbrush stands (good sheep feed) which will further tend to lower the productive capacity of national forest ranges.

BE CAREFUL WITH FIRE



The Jaywalker

A man has to look out for his investments, doesn't he? Reading the stock market report in the daily paper is a help. But not when you're crossing the street and especially not when you're jaywalking. Perhaps Mr. Muffet (above) thinks he can take it with him. But, alas, Jaywalking, Inc., and Traffic, Unlimited, are poor investments—especially if they merge. The AAA Foundation for Traffic Safety urges pedestrians to cross the street only at corners, and to remain alert when doing so.

DIRECTORS SELECTED FOR RED CROSS BODY

The Lake Tahoe branch of the Sierra Nevada Chapter of the American Red Cross has been formed with the selection of a board of directors and other officials. The formation was accomplished at a meeting attended by Harold Davis, field representative for the Pacific Area.

Rev. Arnold Carlson of Tahoe City is chairman of the board and Mrs. Marie Henry of Tahoe City is the vice chairman. Mrs. Eva Milford of Tahoe Valley is the secretary and Mrs. Ed Fischer of Tahoe Valley, treasurer. Public information officer is Mrs. Dorothy Fordham of Truckee.

Other directors are Mrs. Mary Harrison, Truckee; Mrs. Rose Mary Donaldson and Mrs. Margaret Stawry of Tahoe City; J. C. Fulton and Mrs. Ella Rae Fulton, Kings Beach; Ted Draney and Mrs. Pearl Draney of Crystal Bay; Lew Hardy, State Line; Mrs. C. D. Hampton and Eugenia Kling, Zephyr Cove; R. E. Brown and Robert Connolly, Bijou; Robert Mason, Al Tahoe; James Charlton, Tahoe Valley and Lauren Russell, Truckee.

Davis explained the purposes and aims of the Red Cross and Carl A. Ross of San Francisco discussed the methods and needs of the water safety program and urged a swimming program for the youngsters of the area.

Instructors will be brought in to carry out the water safety program, it was announced.

All persons interested in the water safety program in this region are invited to a special meeting to be held at the Community Center, Tahoe City, February 21 at 7:30 p. m.

Mrs. Herbert Larsen of San Francisco spoke on fund raising and the amount necessary for the year.

Patty Kilbourn who commutes between Lafayette and the local area during the winter wrote that she keeps in touch with the local events by way of the Sierra Sun.

TAHOE VISTA GIRL IS WITH HSC MUSICIANS

HUMBOLDT STATE COLLEGE, Arcata — Miss Patricia Sanderson, daughter of Mr. and Mrs. P. L. Sanderson, Tahoe Vista, was one of 40 students selected to make a week's tour of north coast California with the 40-voice Humboldt State College a cappella choir.

The choir left February 13, and opened their tour that evening with a concert in Garberville, sponsored by the Garberville Civic Club. Throughout the week the group will sing in Willits, Ukiah, Fort Bragg, Point Arena and Napa. They will close the tour on Friday afternoon when they present a joint concert with the San Francisco State College choir on the SFS campus. All concerts are under the direction of Dr. Leon Wagner of the HSC music faculty.

Miss Sanderson is a junior psychology major and is preparing for the field of counseling. She is a member of both the a cappella choir and the HSC Lumberjack band.

Mrs. Fern Schlueter of Tahoe City who has a winter address at Oakland has returned from a plane trip to Hawaii, accompanied by her brother and wife, Mr. and Mrs. R. Wilsey of Modesto.

TAHOE TRUCKEE SCHOOL NEWS

Truckee Elementary

KINDERGARTEN: Our girls are showing the boys that they, too. can handle hammers and nails. Kelly McQuary, Jodi Shackelford, Michele Walker and Mary Kay Rose have finished their foot scrapers.

This seems to have been kindergarten dental week. Danny Stone, Tommy Anderson, Robin Waters and Mike McGlade visited their dentist this week.

SECOND AND THIRD GRADES: As a culmination of our liquid measure unit, the children measured milk and made pudding. Homer Owens, Roxanne Brown, Patsy Goldsmith, Karen Silverii and Mike Gordon made up the pudding committee; Gary Stone, Gary Schumacher were on the spoon committee; David Greene, James McKinnon, Joyce Smart and Dennis Dint brought milk. Everyone cooked and measured.

Best spellers of the week are Dennis Dent, Billy Fordham, Benny Garcia, David Green, Douglas Reid, Gary Stone, Leslie Smith, Roxanne Brown, Catherine Craig, Delera Eckerman, Patsy Goldsmith, Deborah Jellin, Jean King, LaVon Mayer, Karen Silverii, Joyce Smart and Susan Kenyon.

THIRD GRADE: Stephen Gardai brought in two big maps to help us study our world.

Items of interest brought in for our display table have come from Virginia Strobel, Diane Rose, Nancy Raynor, Margaret McLane, Larry Doyle, Kay Snyder and Donna Comola.

FOURTH AND FIFTH GRADES: Marks of success for the week go to Karel Sauby, Jill Wurst, John Clark, Ryan Houlgate, Mike Kydd, Michelle DeLisle, Richard Martin and George Franceschini for the very fine research on Abraham Lincoln.

Credit Eddie McCarroll and Mike Richards for showing lots of improvement.

SIXTH GRADE: Our new class officers are Dennis Richards, president; Susie Olano, vice president; and monitors are Marianne Moore, Bruce King, Judy Beal, Ronny Kyle and Garee Lynn Stewart.

People who got A's in arithmetic are Floyd Baxter, Beverly Holloman, Bruce King and Marianne Moore.

Kings Beach School

Mary Jane Black returned to school this week to take part in our Valentine activities.

Tuesday there were large Valentine boxes with cards for everyone. The morning class had a party sponsored by our room mothers.

SECOND GRADE—Mrs. Wing: The following children are now working in the third grade arithmetic textbook "Arithmetic We Use": Craig Watson, Jimmy Black, Richard Abbott, Wynn Manning, Martha Pope, Nancy Tiller, Susan Leon, Mia Melvyn, Glen Belvin, Becky Ericksen, David Krakow, Terry Wainscoat, Billy Brehler, Mark Cole, Warren Quartly, Becky Anderson, Jon Jensen, Lynann Fugazi, Kristie Plunkett, Mike Holley, Fae Franklin, Margaret McDonald and Diane Finegan.

Those receiving new readers are Becky Ericksen, Lyann Fugazi, Becky Anderson, Mia Melvyn, Martha Pope, Richard Abbott, Diana Finegan, Nancy Tiller, Susan Leon and Chaulky Hooper.

THIRD GRADE—Mrs. Ferrari: Richard Holler brought an electrical experiment to school and demonstrated it to the class. He had two dry cell batteries wired to a doorbell with a two-way switch to operate the bell, one for a soft sound and the other for a loud ring.

We have been reading stories about Abraham Lincoln.

FOURTH AND FIFTH COMBINATION—Mrs. Highley: We elected Sherry Decker, president; Lynn Korsun, secretary and Robert Purcell, vice president.

EIGHTH GRADE—Mr. Maas: We have made $45 on our candy sale so far. When the sale is completed, we should make a profit of about $50. Our class newspaper is pulling in money every week.

Madelyn Kammerer and Carol Franklin put up the bulletin board for Valentine Day. We had a party that day.

Tahoe Lake School

KINDERGARTEN: The children put up their Valentine boxes and mail came in fast. The boxes were opened Tuesday. The neatest work on the postoffice was done by Kim Byers. The best painting of the week was by Sandra Keechler.

FIRST GRDE: On the speed and neatness race on writing numbers to 100, Debbie Dutton scored first, John Attardi, second; Susan Lewis, third; Sheryl Walling, fourth; Beverly Freeland, fifth; Pamela Dossett, sixth; Joella Moe, seventh; Carla Lentine, eighth; Matthew Metcalf, ninth and Jim Edd Burchett, tenth out of 30 in the class.

SECOND GRADE: Jackie Ghormley, Scotty Shirley and Kevin Kehoe have moved to the top of the reading group. The class is studying about Lincoln.

Cynthia Camp and Paul Corona had the best writing papers for the week, also Susan Cannon has made the most improvement in her writing. The class will soon begin taking their spelling in cursive writing.

FIRST, SECOND AND THIRD COMBINATION: We are learning about Lincoln. Mrs. Farr's fifth grade presented a program for the primary grades.

THIRD GRADE: The children of Mrs. Long's third grade that are to be in the operetta, "Cinderella in Flowerland" which will be presented at a later date are Mark Rivard, Sally Starratt, Mindy Bechdolt, Leslie McBride, Debbie Stark, Dorothy Pomin, Laura Hoxsie and Lynn Duttweiler.

These third graders received 100 in spelling this week: Leslie Massey, Sandy Poulsen, Gary Mullen and Cathy Menges.

FOURTH GRADE: Children receiving 100 in the weekly spelling test were Mark Sullivan, LeRoy Hammer, Mike Kettenhofen, Mike Dempsey, Mike Alves, Richard Burchett, Cheryl Bechdolt, Billy Dutton, Dennis Scoville, Mike Cannon, Eric Poulsen, Heide Henrikson, Calvin Bechdolt, Bobby Litke and Kathy Mockaitis.

FIFTH GRADE: The fifth grade presented a Lincoln program for Mrs. Dunne's eighth grade. The announcer was Tommy Easterly and others taking part were Bro Shontz, Breezie Cross, Steve Shaw, Ann Starratt and Janet Jorgensen. The Gettysburg address was by Ernie Marier and an original poem by Judy Detzler and Mike Pelletier and a closing poem by Dianne McBride.

SIXTH GRADE: The people who received A's in problem solving test in arithmetic last week were Jon Caulkett, Dick Pomin, Marty Spitsen, Terry Stimson, Ralph Stromgren, Davelene Alves, Kathy Coster, Gretchen Lawlor, Darlinda Stark and Holly Wall.

SEVENTH GRADE—Mr. Hawk: A's in speech this week were Joyce Anderson, Julie Bechdolt, Cathy Conners, Allie Cushing, Lyn Dutton, Ann Duttweiler, Judy Ingram, Dick Nielsen, Karen McBride, Kai Smith, Brian Mullen, Bill Otts, Steven Rogers and Bar-

BUY BETTER-THAN-EVER U.S. SAVINGS BONDS

A new 50-star flag now flies over the capitols of 50 states—symbol of a new America that's bigger and stronger than ever before. And there's a better-than-ever U.S. Savings Bond, too, to help keep our new America strong.

U.S. SAVINGS BONDS ARE NOW BETTER IN TWO WAYS:

1. They mature 14 months faster than before. In E Bonds $18.75 now becomes $25 in just 7 years, 9 months.
2. They continue to earn interest after maturity. If you hold your bonds for 17 years, 9 months, you get $1.93 back for $1 you put in.

OTHER ADVANTAGES OF U.S. SAVINGS BONDS

• You can save automatically with the Payroll Savings Plan. • You invest without risk under a U.S. Government Guarantee. • Your money can't be lost or stolen. • You can get your money, with interest, anytime you want it. • You save more than money — you're helping your Government pay for Peace.

One hundred and seventeen years ago this Valentine's Day, General Charles Fremont stood on the highest peak looking down on Lake Tahoe and saw for the first time "the biggest, bluest Valentine in the world." General Fremont is reported to be the first white man to set eyes on Lake Tahoe and on that trip when he stood on the top of Freel's Peak he was just entering California on his great discovery trip. And 117 years later, the lake remains the biggest, bluest Valentine to many, many residents.

WHAT'S DOING

L. R. deGallery, your Telephone Manager in Tahoe City

BUSY MAN —During his 14 years with the Pacific Telephone Co., Installer-repairman Doug Baxter, has spent 12 years in the Lake Tahoe Area. He is a very active man in area activities. He serves as manager for the basketball team sponsored by the North Lake Tahoe Lions Club. His special enthusiasm is directed toward youth activities.

Doug is Cub Master for Pack 31 in Kings Beach. He will proudly tell you there are 35 Cub Scouts to date, in his pack, ranging in ages from 8 to 10 years. This year Doug is hoping to see the Cub Scouts continue their meetings through the summer months. He plans to use as many of his summer weekends as possible for outings and picnics for his Cub Scouts.

Wth Doug's sincerity and gift of persuasion, he will enlist many new volunteers. He told us, "There is always a need for assistants in Cub Scout Work." Employees of Pacific Telephone take pride in serving their community.

I'll bet there's not a housewife anywhere who sometime or other hasn't found she lacked an ingredient for a recipe she was preparing. Or, for that matter, I wonder how many husbands have the right size washer on hand when they try to fix a leaky faucet.

The men who install telephones avoid situations like these by carrying a full assortment of parts and tools right with them. Their trucks are really tool chests on wheels, stocked with some 400 different items. They're prepared not only for everyday jobs, but for most "unexpected developments" as well.

No, that's not an electric shaver the man is holding. It's an electronic larynx to help those who have lost their power of speech. It can substitute for vocal cords for a person whose larynx has been removed or paralyzed.

To use it, one holds it against his throat and forms the sounds of words with his mouth as in ordinary speech. The only difference is that the sound waves are produced electrically. A finger control lets the user vary the pitch of the sound produced for more natural sounding speech.

The electronic larynx is a development of the Bell System and is sold on a non-profit basis. If you would like more information, please call our business office.

DONNER OINGS

By VIRGINIA O'BEAR

I got my wish over the weekend as we had a beautiful snowfall. Someone must have pushed a button to please us mountain folk as well as the many families who came up over the weekend from the cities. Everywhere you looked along the highways, one could see children out making snowmen, (with the help of their parents). I know some of those children had never been in snow before by their reactions. I hope we get a lot more snow in February and March, and none much after that.

* * *

Dr. and Mrs. Henry Tapia and family enjoyed a two week visit from Mrs. Tapia's mother, Mrs. Isabelle McIndoe and their Uncle Ted, both from Santa Monica. Uncle Ted will be 82 years of age in March and is just as spry and energetic as can be. He enjoyed his trips to Squaw Valley and Reno and enjoyed the neighbors here droppng in to play cribbage with him. We hope they will come up again soon as they seemed to like Donner Lake. Dr. Tapia is up and around and feeling much better since his heart attack last week. He was rushed to the Tahoe Forest Hospital by ambulance week ago Monday. All of us hope he will take it easy for awhile and have a speedy recovery.

* * *

Mr. and Mrs. Ed Urst were here over the weekend with some of their friends from Reno and all seemed to enjoy the new snow. The Ursts have a decorating shop in Reno and are frequent visitors at Donner Lake since they have two beautiful homes here.

Carol Brown, daughter of Mr. and Mrs. Roger Brown, is celebrating her 11th birthday this week at home with her family and some of the neighbor children. Louise Tapia will be celebrating her birthday on February 21.

The Donner firemen are busy this week. Tuesday evening they had a joint meeting with the Truckee firemen for dinner at Cozzi's. Wednesday evening was a board meeting at the home of Dr. Robert Affeldt. The meeting was to say "hello" to the new board members and goodbye to the older ones who have served so efficiently for several years. The new officers will be informed of their duties very soon and another meeting for all firemen will be held at the fire house on February 23 in the evening.

The home of Dollie Harris was the scene of much activity Monday evening when 22 ladies of the Donner Lake Volunteer Fire Department Auxiliary met for the last board meeting for this group of officers. Ladies from the various committees were invited also such as disaster, sunshine, coupon and publicity. Other members dropped by to play games and win prizes and enjoy the Valentine theme. A large decorated cake with a heart with all of the officers names was baked and decorated by Elaine Lander which was the main centerpiece. Hostesses Dollie Harris, Petie Brown and Virginia O'Bear served cake, ice cream and coffee to the members.

A delicious dinner is being prepared by the ladies of the W.S.C.S. this Thursday evening when the Auxiliary of the Donner Lake Volunteer Fire Department meet for election time. The dinner is scheduled promptly for 7:30 and it is hoped all members will attend. The place is the basement of the Church of the Mountains in Truckee.

Ski Injury—

Fred Haskell, son of Mr. and Mrs. Wes Haskell of Auburn was treated at the Tahoe Forest Hospital last week for an injury to his ankle and foot suffered while skiing on Donner summit.

VALLEY LAND TRADE INVOLVES LAKE LAND

YUBA CITY—Sutter and Yuba County ranching property has been included in a $220,000 trade involving Lake Tahoe shore property.

Edwin Strom of the Town and Country Realty Company, Yuba City, reports he has traded his 80 acres of farm land in the Tudor District of Sutter County and 720 acres around the townsite of Frenchtown, Yuba County, which he owned with Howard Mallory of Yuba City, for a lakeshore motel on 200 feet of frontage. The Tahoe property is located in Placer County one mile south of Tahoe City.

The motel owner, Edward Hannagan of Gridley, Butte County, will continue to manage the hostelry as well as take over operation of the ranch lands.

TIMBER SALES FUND AIDS COUNTY COFER

SACRAMENTO — (CNS) — Nevada County received $59,961 as its share of $5,800,895 distributed to 39 California counties for timber sales in national forests.

State Controller Alan Cranston distributed the money for the forest service on the basis of audits showing the amount of timber sold in national forests in the counties.

Cranston said the amount distributed represents 25 per cent of the revenues from the sale of timber on forest service reserve lands during th 1959-60 fiscal year. The amount was an increase of $1,820,903 more than that distributed for the previous fiscal year.

One-half of the amount apportioned to each county is deposited in its unappropriated elementary school fund and one-half in its road improvement fund.

ACTION STARTED TO KEEP FIRE STATION

AUBURN — A protest has been lodged by the board of supervisors against a proposal of the state to move its fire fighting equipment from Squaw Valley.

The supervisors sent a letter to the state division of beaches and parks and county legislators opposing the plan to take the equipment from the valley.

In leading the opposition, Supervisor William Briner of Tahoe City stated that since the state equipment is there it would be good to keep it. He said if it is moved the local residents would have to organize a volunteer fire department.

HAROLD WOLTERS IS GIVEN COUNTY POST

NEVADA CITY — Appointment of Harold F. Wolters as deputy district attorney of Nevada County was announced by District Attorney Harold Berliner. The appointment became effective February 1.

Wolters is a native of Los Angeles, born March 6, 1925. He attended Woodrow Wilson High School at Long Beach, Texas A&M and the University of Southern California. From 1943 to 1946 he served in the army in Africa, Europe, China, India and in the Southwest Pacific, later graduating from Hastings Law School in San Francisco in 1952.

Wolters was public defender in Marin County for two years and from 1955 to the present was assistant district attorney in that county.

He is married and has two children and intends to open an office in Grass Valley for the practice of law.

Small, overlapping, scale-like leaves which form sprays are characteristic of the incense cedar. Britain, 78.7 per cent of eligible persons cast their votes.

SIEGEL SKI EXPERT DESPITE HANDICAP

Bob Hughes, writing in the San Francisco Chronicle, gives an interesting chapter in the life of Ed Siegel, manager at Sugar Bowl on Donner Summit.

The new manager, Hughes writes, believes almost anyone can learn to ski. He doesn't restrict this to anyone with two legs either.

Siegel is an amputee who handles himself so well on skis many persons aren't aware one of his skis supports an artificial leg.

Nine month's after a skiing accident at Alta, Utah, in 1950, Siegel's leg was amputated below the knee. He thought his skiing days were over, but a few years later was encouraged to take up sking again.

He told Hughes he saw a Warren Miller movie showing a young man by the name of A. J. Bridenbach, who was also an amputee skiing at Sun Valley. Miller also encouraged Siegel and friends provided the necessary instruction and confidence.

Today, the article, declares, Siegel finds enjoyment in skiing.

Although he leaves normal instruction to the ski school director, Junior Bounous, Siegel said he would welcome an opportunity of helping other people who have a physical disability like his to learn to ski.

ATWATER REPORT ON TRIP TO NORTH AREA

Montgomery Atwater, winter sports representative for the U. S. Forest Service at Squaw Valley reported on a trip to Alaska at a staff meeting of the Tahoe National Forest in Nevada City. Atwater was detailed to Alaska for two weeks in January to survey avalanche hazards on existing and proposed ski developments and to recommend control procedures.

In Juneau he visited potential ski areas on the Tongass National Forest including an area for summer skiing on the Mendenhall Glacier. At Anchorage he inspected the new Mt. Alyeska ski area completed just last fall. He then journeyed to Fairbanks where he had been invited to speak on avalanche problems and modern techniques of avalanche control to the students and faculty of the Unversity of Alaska.

Atwater noted that Alaska skiers can only ski 3 to 4 hours daily because of the short winter days. Cities like Anchorage with a population exceeding 100,000 turn out thousands of skiers nevertheless, and the slopes do a booming business during the few daylight hours available. Atwater also noted on the entire flight north that the snow cover on the mountain ranges appears to be considerably below normal for ths time of the year.

The men of the Army and Air National Guard work as citizens and train as military men to protect our way of life. More than 472,000 strong, they stand at our first line of defense. On a minute's notice, runway alert units are activated... air defense units manning Nike-Ajax bases swing into action....27 combat divisions prepare for mobilization. But the Guard's protection does not end with its battle function. In peacetime, it is just as ready to cope with disaster...and just as admirably efficient. Today, the citizen-soldiers of the National Guard are better trained than ever before in the 300-year history of the Guard. They are, in every sense, our *Up-to-the-Minute Men*, ever ready to serve, and to serve well.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — At least one state official has not succumbed to the blandishments of the ultra-ultra state civil service system, which demands that all work done for the state, with a few exceptions, be done by public employes entrenched in jobs which they hardly can be fired.

This is John E. Carr, state director of finance, who is a former business man, and as such can put his finger on how California taxpayers are faring in the civil service regime.

Carr is not backward in saying what he thinks on the subject. But a lot of other state directors, and legislators as well, while agreeing with his thinking, are reluctant to come out with it in public.

At a recent meeting of the governor's council, Carr suggested fewer civil service state employes, and more private contracting of state work.

"It might save taxpayers some money," he said flatly. Probably this was the gross understatement of the year, considering all the advantages civil service employes have, and the high cost of maintaining a state personnel board and department to hire these employes. Also, the costs of hearing cases when the employes are relieved of duty.

"I might suggest," he declared, that we do not fill some of these civil service jobs when they become vacant, even though they are authorized. It costs a lot of money taking off and putting on employes. We should try to level off the civil service force and try farming things out more."

By farming things out, Carr means giving more state work to private contractors, instead of fostering huge bureaucracies to handle the state's business.

The constitution provides, or has been interpreted, to require nearly all state work be done by civil service employes. Carr says he doesn't believe the constitution is as tight as it has been interpreted.

The state has, in fact, robbed itself of the privilege of getting things done economically as the result of the interpretation of this provision.

And as a result, the people of California pay higher prices for services than if contracts were given the people who pay taxes to support the bureauracies.

Many services now could be handled by contract if the constitution underwent some revision, or some more liberal court decisions were obtained.

Among these would be state printing contracts. While the state built up the biggest printing plant west of the Mississippi, printers hard put to make a living, paid taxes to build the monolith.

Another would be architectural contracts. While private, tax-paying architects are wondering how to meet the tax burdens assessed on them, millions of dollars worth of state construction has been handled by the state division of architecture, manned by civil service help.

These are only two places where some improvements could be made. There are many more.

COUNTIES TO SHARE IN FAS ROAD FUNDS

Apportionment of $12,555,333 in state and federal funds to California counties for construction on county roads included in the federal aid secondary system was announced by the state department of public works.

The allocation, which is for the 1961-62 fiscal year, includes $8,457,807 from the federal government and $4,097,526 in state matching funds.

Nevada County's share for 1961-62 amounts to $102,772, of which $61,519 is federal money and $41,253 from the state highway budget.

Placer County's share for the year is $223,535 with $133,808 from FAS funds and $89,727 from state matching funds.

ANDERSONS TELL OF VISITS IN MEXICO

KINGS BEACH — Mr. and Mrs. J. D. Anderson of Acapulco, Mexico wrote that Mr. and Mrs. Byron Miller of Floriston and her mother, Mrs. Myrtle Levine of Montebello, visited with them for a week during an extensive tour of points of interest in both Mexico and southern California.

Mr. and Mrs. Bud Mandeville of Kings Beach were also momentarily expected by the Andersons, going by airplane to Mexico.

The Andersons wrote that they are progressing in their new business venture in the south and sent greetings to their friends in this area.

POULSENS FILE SUIT FOR LAND DAMAGE

Mr. and Mrs. Wayne E. Poulsen have filed a $15,000 damage action against the State of California and the organizing committee for the 1960 Winter Olympic Games charging destruction of property owned by the Poulsens.

The Poulsens, represented by Attorney Archibald D. McDougall, contend that in settlement of eminent domain proceedings brought against the Poulsen property in Squaw Valley by the state it was agreed the state should have a temporary road easement over a 100 foot wide strip of Poulsen's land.

The complaint charges the state and the Olympic committee violated the easement in deviating from the 100 foot strip, cutting down trees, cutting ditches, piling boulders and denuding ground owned by the Poulsens.

the windshield. No one in the bus was injured.

Stephen G. Swigard, 16, Ross, crashed into a stalled car operated by Claudia Ann Forciea, 25, of Mountain View on the Squaw Valley road Saturday at 9:15 a. m. injuring the driver and Marjorie Ray, also of Mountain View. The two women struck a snow bank and had pushed the vehicle back on the road just as the Swigard car approached and the latter could not stop in time to avoid the collision.

SNOW BLAMED

Roland H. Mackitash, 21, San Francisco was seriously injured when cars driven by Don Britt Meriweather, 22, San Francisco and James W. Morris, University of California student, collided at Edgewater on Route 89 Saturday at 6:30 p. m.

Meriweather was cited for driving on the wrong side of the highway. He told officers he was blinded by the snow which was falling heavily at the time.

FAILS TO STOP

Joseph M. James, 58, Colusa was unable to stop at the stop sign on the off ramp near McIver's Saturday at 8 a. m. and skidded across the highway and crashed into a utility pole. Both James and his wife, Mable E., 58, were taken to the Tahoe Forest Hospital and the driver was cited for not being able to stop.

MISSING MAN'S BODY IS FOUND IN SLOUGH

Ten days of speculation over the whereabouts of Richard F. Stokes, 36, of Larkspur, ended this week when his body was found in a slough seven miles south of where his car plunged off the east end of the Yolo by-pass on February 2.

Authorities had speculated about Stoke's whereabouts after his car was pulled from the slough with the body of Robert E. Whitt, 28, inside.

Stokes disappeared shortly after he left a friend, Albert Bangs, 42, in Truckee where the two had been seeking work. Stokes evidently picked Whitt up after he left Bangs in Truckee as the latter advanced the theory that Whitt and Stokes were the same man.

SQUAW CONTRACT IS WORKABLE, REPORT ADVISES GOVERNOR

SACRAMENTO—(CNS) — Sterling S. Cramer, controller of the Yosemite Park and Curry Co. for nearly 20 years, has reported to Governor Edmund G. Brown that the 27-year contract for operation of concessions at Squaw Valley is a "workable agreement" but suggested certain re-negotiations.

Brown told newsmen Cramer's study had been only of the contract itself and not the circumstances under which the contract was signed.

The senate interim committee on natural resources issued a report recently in which it was very critical of the "questionable and unorthodox" circumstances under which the contract was signed. The committee said it had understood the agencies involved would wait for some time after the state took over possession of the property in Squaw Valley before letting out the concession.

Instead, the department of natural resources, division of beaches and parks and department of finance waited less than four months to sign the contract, without calling for bids. The contract went to William A. Newsom, Jr., a political appointee of Brown at the time, and John Pelosi, for their newly formed corporation.

Cramer reported to Brown that the agreement appeared to be workable but much of its effectiveness would depend upon the cooperation between the parties concerned. He said it "is probably as good a contract as the state could have obtained."

Cramer said a prospectus of the operation had been sent to the Yosemite Park and Curry Co. but he recommended his company decline to bid on it.

Cramer suggested a re-negotiation of the agreement to clarify certain ambiguities. He suggested also that the division of beaches and parks develop a comprehensive concession policy.

TAHOE AREA LEADING IN PLACER BUILDING

AUBURN—The county building department reported the construction of homes in the unincorporated areas of the county accounted for more than three fourths of the $10,409,000 building valuation in 1960.

The year's total was $5 million less than the 1959 figure, but $2 million more than the 1958 total.

Supervisorial districts four and five, which generally include the area east of Auburn to Lake Tahoe, were the top building areas.

CLUBS HEAR REPORT ON US AIR DEFENSES

A telephone report from the North American Air Defense headquarters in Colorado Springs, Colorado, was the feature of a combined meeting of the Truckee Lions and Rotary Clubs recently, and Truckee High School on February 2.

During the meeting, members and guests were invited to ask questions of a military briefing officer at the headquarters. Answers were relayed over the telephone and loudspeakers.

The hookup is part of a program, "Communications and Air Defense," arranged by Pacific Telephone.

Jack R. Thomas, area staff assistant, described the 10,000 mile electronic fence which surrounds and provides North America with an elaborate defense network.

The program was also presented to a combined meeting of the Lions and Rotary Clubs at the Crystal Bay Club, at Kings Beach, a combined meeting of the Soroptomist and Emblem Clubs at the Crystal Bay Club and the Tahoe City Rotary at Tahoe City. These programs were presented without the call to NORAD, but current 24 hour information was made available to these clubs through an earlier call to the North American Air Defense headquarters by Thomas.

SCHOLARSHIP DRIVE LAUNCHED IN AREA

Looking forward to the 1961-62 school year, the University of California Alumni Scholarship program was launched a week ago. This program is designed to send some 500 students a year to the university assisted by alumni scholarships of $400 to help defray school and living costs.

The scholarship program provides the local county-wide committees to raise $200 for each scholarship granted. This sum is matched by the university to bring the individual grant to $400. The high school student to receive the scholarship is selected by the local committee, such selection being based on grades, school activities, need and potential for educatonal growth.

The local committee covers Nevada and Sierra counties and these county resident students attending Nevada Union, Downieville, Loyalton and Tahoe-Truckee highs are eligible for selection.

The committee is composed of Mrs. William Briggs, Mrs. Gene Haley and Dr. William Mullis all of Nevada City; Thomas Darger of McCourtney Road, Roy Saarni of Truckee and Charles Everhart of Ridge Road.

Initial information on the 1961 campaign has been sent to the California Alumni members. Many contributions have already been received and the committee urges prompt action by others. Plans are being made for contacting all the University of California alumni in this area inviting them to help out in this program.

DONNER, HOMEWOOD RESORTS RECOGNIZED

ITHACA, N. Y.—Donner Rancho Beach Hotel in Truckee will receive national recogniton in the 1961 edition of the illustrated Duncan Hines travel book "Vacation Guide" coming out next month, according to an announcement by Roy H. PEEP-HOLE PHARMACIES

Remember when having a prescription filled brought two eyes peering through the tiny opening of the prescription room? How magical it all seemed—the musty odor of asafetida, the long look at your prescription, the pharmacist's frown as he studied the doctor's instructions, the nod of his head.

Yes, Pharmacy was indeed an Art in "the good old days." But many a silent prayer for the success of your prescription was compounded along with the limited number of drugs available at the time. How many elixirs could help a child recover from pneumonia? How often did the powder in carefully folded papers prevent mastoiditis? And how much relief could a crude tincture bring to the arthritic?

Where is the peep hole pharmacy of yesteryear? Gone forever. And with it, the mystery of the back room. In its place, behold the prescription department of today—founded on Science, lighted with the knowledge of intensive professional training, filled with the treasures of modern research. Your prescription now brings preparations of specific action, and uniform potency and highest quality control.

Today's pharmacist invites scrutiny of his prescription department, for more than ever before he is proud of his role in your community's health team.
